...

When I was little and I couldn't sleep
And I'd even tried counting the sheep
There was a land where I could go
That was even better than beyond the rainbow.

...

A land made up of my favourite things,
Where the sun is a yellow party ring.
So, all you have to do it take my hand,
And I'll take you to my Sweetie Land.

...

A flying saucer suddenly goes whooshing on by
And drops all it's Sherbert right out of the sky.
I stand with my mouth open widely
and then Get knocked off my feet by the Gingerbread men!
